

**CHANGING LIVES & PATIENT OUTCOMES EVERY DAY.**

## **HERE ARE 9 REASONS TO CHOOSE MEGASPOREBIOTIC™:**

MegaSporeBiotic™ is the **first truly innovative, 100% spore-based, broad-spectrum probiotic** and it took over 5 years to research and formulate this product to make sure it was effective.

There are **7 published, peer-reviewed, randomized controlled human studies** on the finished formula.

Unlike Bifidobacterium or Lactobacillus strains which are typically vulnerable to destruction at room temperature, MegaSporeBiotic™ is **designed to maintain efficacy, potency, and 99.99% survivability throughout the digestive process\*\***

It's clinically shown to **support healthy intestinal barrier function and leaky gut** in just 30 days\*

It supports more than just the gut! Studies show that this spore-based probiotic also **supports healthy skin, metabolism, and liver function\*\***

Supports microbial diversity and the growth of keystone species.\*\*

Supports gut barrier function, SCFA's, and Butyrate. Also supports the immune system.\*\*

Doesn't require a high CFU count to be effective. No refrigeration is needed. 2-year shelf life.\*\*

It's a vital component in our Total Gut Restoration System, which reconditions, reinforces, and rebuilds the gut when used together.
